- 2.

3.

The screenshot shows the 'New Manufacturer' form in the osCommerce administration interface. The form includes fields for 'Manufacturers Name', 'Manufacturers Image' (with a 'Browse...' button), and 'Manufacturers URL'. A 'save' button is at the bottom. Red annotations with arrows point to these fields and the save button, accompanied by numbered instructions:

- 1) Enter your product Manufacturers Name
- 2) Leave Manufacturerers Image blank
- 3) If you wish to link direct to your Manufacturers website, fill in their web address in Manufacturers URL
- 4) Click Save

4.

The screenshot shows the 'Manufacturers' list in the osCommerce administration interface. The list contains one entry: 'Mumbles'. A red annotation with a white background is overlaid on the list, stating: 'Your product manufacturers will be listed as you enter them.'

5. Continue entering your manufacturers, repeating steps 2 to 4.
